

Have fun with friends, to help kids

It's not about bowling! Bowl for Kids' Sake is an annual fundraiser program for Big Brothers Big Sisters where you can be a bowler, a team captain, a sponsor, or all three. When you bowl for us, you get to enjoy a fun outing with friends, family, colleagues, your civic group or faith group, all while helping local children get the support they need through mentoring.

It's not the score that matters

Bowl for Kids' Sake bowlers and sponsors are people just like you who want to give back to children right here at home in St. Johns County. It doesn't matter if you're a high-scoring winner or have never bowled before. All the money raised goes directly towards matching children in need with caring adult volunteers in our community.

Mentoring Makes A Difference!

Research shows that the quiet power of the 'match' reduces the likelihood of violence, truancy, and substance abuse among 'Littles' and improves their confidence, school performance, and relationships. In fact, youth who meet regularly with their 'Big' are: 52% less likely to skip school, 33% less likely to hit someone, and 46% less likely to begin using illegal drugs.

Helpful Fundraising Tips

Set a fundraising goal

It costs approximately \$1,000 per year to screen, enroll, and support a match in our community-based program. If each team member collects \$20 from 10 people, your team can be a 'Match Maker'! How about \$10 from 20 people? Set a goal that works for you and your donors and go for it! Aim High!

Make a list of people to ask

Include friends, family, co-workers, people you do business with (your doctor or dentist, hair stylist, dry cleaner, insurance agent -and that's just for starters!)...folks you see at church or synagogue, neighbors. Ask them all! If you're uncomfortable asking people in-person, try asking on facebook, handwritten letters, or by e-mail with our online fundraising! www.bbbsstjohns.org/bowl

Carry your pledge sheet wherever you go!

You never know when you'll run into someone who would like to help!

Know a few facts about Us

Visit our website at www.bbbsstjohns.org or call us at 904-829-9986 ~ we're always here to help! Thank you for supporting prevention through mentoring!
